Work Experience

Junior Software Developer Internship
TimeSpaceLabs.Inc, Spain | Aug 2023 – March 2024

Responsibilities:

- Worked in an Agile environment utilizing weekly stand-ups and user stories.
- Contributed to the in-house UI library by creating reusable components, saving over 10 hours of development time per month.
- Worked on state management libraries (e.g., Redux, Zustand)
- Familiarity with modern front-end build tools and processes (e.g., Webpack, NPM, Yarn).
- Emphasized the importance of thorough documentation for improved team understanding and productivity.
- Integrated Jira and Slack seamlessly to enhance project visibility, communication, and overall team productivity.

Client Coordinator
Albireo Tech System, Indore | Jan 2022 – Jul 2023

Responsibilities:

- Collaboratively worked within a cohesive team of 5 professionals, contributing to collective goals and project success.
- Demonstrated leadership in delivering services that precisely met client needs, enhancing overall client satisfaction.
- Engaged in regular 5-day stand-up calls, fostering effective communication and alignment within the team.
- Actively participated in discussions, contributing ideas to enhance the development of products and services.
- Produced detailed reports, offering valuable insights and supporting data-driven decision-making.
- Contributed to the hiring team, actively participating in the recruitment process to identify and onboard top talent.

Personal Details

Date of Birth: 10th Dec 2001

Languages Known: English, Hindi

Address: Indore, Madhya Pradesh
